

From Saturday morning until Sunday morning (4-5 MAY) 36 runners from nine states and Ontario Canada participated in the 38th annual running of the Cornbelt Running Club's 24 hour race. Using the 400 meter track at North Scott High School runners seek the most mileage to win or attempt their personal goals. Ages ranged from 25 to 83. 70 volunteers make this race happen.

Lack of rain, mostly sunny skies, moderate winds and Spring like temperatures no doubt helped their efforts.

Joey Miller from Springfield, IL and Danielle Wangsness from Cedar Rapids, IA. Joey competing in his first 24 run but no stranger to ultra running events completed over 117 miles and Danielle, a veteran of my ultras also, completed over 114 miles for the 24 hour period. Twenty runners completed at least 100k (62+ miles.) within the event window.

Ed Rousseau of Minneapolis, MN at 79 years of age made it into the top 10 with an effort of over 83 miles.

61 one year old Bonnie Busch, Bettendorf IA finished 3rd overall and the effort of over 106 miles is longer than the current USA Track and Field national age group record for women. Further efforts will be made to ratify that race result.

Thanks for your interest. Please contact me if you have any questions.
